Agenda item #3: OFFICER AND STAFF REPORTS (Exhibit E)

Agenda item 3a: Chairperson's Report

Mr. Taneff had no report.

Agenda item 3b: Executive Director's Report (Exhibit E)

Mr. Logsdon filed a written report. Mr. Logsdon provided a verbal review of his report.

Mr. Logsdon reported that the budget status was unremarkable, expenditures or disbursements were not unusual for the period. Next, Mr. Logsdon reported on the biennial budget. Mr. Logsdon stated that his report had been modified from the report sent to members prior to the Board meeting. Mr. Logsdon reported that elicence 3.0 cost estimates were lowered. A copy of the new fee estimates was provided to members. Mr. Logsdon reported that three issues drive the FY 2018/2019 budget: payroll projections, Elicence 3.0 costs and the increase in facility rent in the last two years. Mr. Logsdon reported the agency would be filing an Activity B funding request.

Next, Mr. Logsdon reported on Am. Sub. S.B. 213 implementation. Mr. Logsdon stated that staff has been moving forward with the implementation plan and that implementation is nearly complete. Mr. Logsdon reported that as of the effective date (today, September 13, 2106) everything that had been scheduled to be completed, has been completed. Mr. Logsdon stated that there are a few items that are not completed, such as the instructor examination; however, he must complete those items. Mr. Logsdon indicated that additional changes would be considered in time, such as the advanced practice curriculum. Mr. Logsdon thanked his staff for all of their hard work.

Mr. Thompson inquired how pursuing an instructor's license would currently work. Mr. Logsdon stated that it would be no different from current, until the new examination and curriculum have been completed. He stated the new law provides the Board with two years to complete these items.

Mr. Logsdon also noted that the Board sought and was provided an emergency Executive Order for rules, which is attached to his report.

Mr. Logsdon stated that he included public testimony in the member's packets addressing eyelash extension services. Mr. Logsdon recommended that the Board consider language similar to boutique service registration for the eyelash extension services. Mr. Logsdon stated that would be his recommendation.

Mr. Logsdon also reported that the NIC national conference was being held and that, based on available funding, the Board send no more than one to two persons to represent the agency. Mr. Taneff suggested that the Board send Ms. Osterhage, Ms. Sheipline, and the Executive Director, if typical, because there was a two-day meeting prior to the general conference.

Mr. Logsdon reported that the agency would be initiating the license renewal period in October 2016. He stated that the Board is prepared to mail notification forms to all licensees addressing the online process and the requirements to maintain a license. Mr. Logsdon stated that all license types were scheduled to expire on January 31, 2017 and that the agency would not be transitioning to the new licensing system for this renewal. Mr. Logsdon stated that the renewal process should be nearly identical to past renewals.

Mr. Taneff inquired if a motion was needed to approve the Executive Director's report. Mr. Logsdon indicated he would also ask the Board to consider a motion to authorize staff to pursue statutory language as recommended in his report.

Ms. Osterhage inquired about emailing the renewal information. Mr. Logsdon stated that emailing renewals would come when Elicense 3.0 is started.

Motion #4: Ms. Osterhage moved that the Executive Director explore statutory amendments that would provide the Board with additional flexibility and authority in defining other special locations or events where licensees may provide limited services within their scope and define other services that may fall into the category of boutique services. Ms. Sheipline seconded the motion. Discussion: Mr. Hanks inquired if the motion was related to eyelash extension services. Mr. Logsdon stated that eyelash extensions are an example. Mr. Logsdon stated that the motion addresses flexibility to consider additional services, but not a need to adopt any specific service not already defined in statute. Mr. Hanks inquired why the Executive Director requires a motion to engage in this activity at any time. Mr. Logsdon stated that he would never suggest changes to policymakers that were not already supported by the Board. Mr. Hanks asked Ms. Osterhage to read her motion again, which she did. Ms. Osterhage expressed her position on supporting the motion, which she characterized as helping businesses in the state of Ohio. Ms. Osterhage summarized the concept as pursuing authority to explore whether or not something like eyelash extensions could safely be a boutique service.

Dr. Gupta arrived at 1:17 p.m.

Mr. Taneff stated the motion was to explore statutory amendments. Mr. Hanks stated that he understood. Mr. Hanks stated there was testimony at one point that discussed the worst things that could happen during applying eyelash extensions. Ms. Osterhage stated that exploring new statutory language was great, because of the other side of the issue, which is manufacturer-based training. Ms. Osterhage stated that the motion does not commit the Board to anything and that it is just looking at options.

No further discussion: Roll call vote taken - motion carried: 6- Yes.

Motion #5: Ms. Osterhage moved to approve the Executive Director's Report. Mr. Thompson seconded the motion. Discussion: None. Roll call vote taken - motion carried: 6- Yes.

Mr. Logsdon noted that Dr. Gupta's vote was not recorded.

Record corrected to show the motion carried: 7 – Yes.

Agenda item #4: COMMITTEE REPORTS

Agenda item 4a: Administrative Action Committee Report (Exhibit F)

Mr. Taneff asked Mr. Logsdon to present the Administrative Review Committee (ARC) report. Mr. Logsdon reported that the ARC met on September 7, 2016. Mr. Logsdon then reviewed the ARC's recommendation for each case listed in the ARC report. Discussion: None.

**Names and identifying information was redacted from the Administrative Review Report. For the purpose of discussion, matters were referred to only by case number and referenced by case number verbally. Identifying information based upon the correlating case number was added during the writing of the minutes where specific reference or motion is entered upon the board's journal.*

Ms. Osterhage inquired about case #2016-387 concerning the allegation of sleeping in a room within a facility. Mr. Logsdon stated that the matter was not cited and was not considered a matter of fact in the allegation cited. Ms. Osterhage asked if it should be removed from the report. Mr. Logsdon stated that it was a matter of the complaint and it is a public record.

Motion #6: Mr. Thompson moved to confirm the Administrative Review Committee (ARC) report, as referenced hereto by attachment to the minutes of the Board. Mr. Hanks seconded the motion. Discussion: None. No further discussion. Roll call vote taken - motion carried: 7 – Yes.

Agenda item 4b: Rules Committee Report - Clara Osterhage (Exhibit G)

Mr. Taneff inquired if Mr. Murry had any reminder for the membership. Mr. Murry stated that the members received an attorney-client privilege memorandum and that it was his recommendation that the members not discuss the information contained therein, because it is protected by attorney-client privilege. Mr. Murry stated that the Board could choose to waive the privilege, but that he would not recommend doing so.

Mr. Logsdon presented the agenda item. Mr. Logsdon stated that item 8c is a policy statement concerning the Board's enforcement of the new provisions of Chapter 4713. Mr. Logsdon referenced the background information contained in the member's meeting material.

Motion #10: Ms. Osterhage moved to approve the following policy statement on eyelash extension services:

The Ohio State Board of Cosmetology is now tasked with regulating the practice of eyelash extensions, which has been added to the scope of practice of esthetics. Statute now requires individuals providing eyelash extension services to be licensed as estheticians or cosmetologists, and requires that these services only be performed in facilities licensed by the Board. The Board recognizes, however, that there are a number of individuals and businesses who will be significantly impacted by these changes. Accordingly, the Board will focus initial enforcement on efforts to communicate requirements to such businesses and individuals, as they are made known to the Board, on education of the laws and rules, and on the issuance of compliance warnings, as warranted, for a period of time to be determined by the Board.

Ms. Shepline seconded the motion. Discussion: Mr. Hanks inquired about the last sentence contained in the policy statement regarding the indefinite time. Mr. Logsdon stated that the time to maintain the policy is per Board discretion. Mr. Hanks inquired if Mr. Logsdon had a recommendation. Mr. Logsdon stated the Board would likely choose a time subject to a period of educating and communicating information to affected persons. Mr. Thompson suggested one year. Ms. Benfer inquired if the time needed to be addressed at all. Mr. Hanks indicated that he was not pleased with not having an end date for the policy statement.

Subsidiary Motion #11: Ms. Osterhage moved to modify her motion by including the words "as warranted for a period of six months." Ms. Shepline seconded the motion. Discussion: None. Roll call vote taken - motion carried: 7 – Yes.

Agenda item 8d: Duplicate License Policy (Exhibits K)

Mr. Taneff asked Mr. Logsdon to discuss the agenda item. Mr. Logsdon stated that he provided some background information in the member's packet concerning issuing duplicate licenses and a recommendation was provided. Mr. Logsdon read the policy statement.

Motion #12: Mr. Hanks moved to approve the following policy statement on duplicate licenses issued:

It is the Board's policy to permit all licensees, boutique registration holders, and permit holders to obtain one duplicate credential per renewal period, by applying online on the Board website and paying the appropriate fee, if applicable.

Ms. Osterhage seconded the motion. Discussion: None. Roll call vote taken. Motion carried: 7 – Yes.

Agenda item 8e: NIC Annual Conference (Exhibits L)

Mr. Taneff stated that it was his recommendation that the Board authorize Ms. Osterhage and Ms. Sheipline to attend with Mr. Logsdon. Ms. Sheipline declined. Mr. Taneff recommended Mr. Hanks. Mr. Hanks declined. Ms. Benfer and Mr. Thompson declined. Mr. Taneff recommended Ms. Osterhage and Mr. Logsdon. Dr. Gupta also declined. Mr. Taneff then recommended either Mr. Logsdon or Ms. Pearson. Mr. Thompson noted that the first two days was an administrative meeting. Mr. Logsdon stated that it was important to attend since part of the budget request was considering funding to move the Board back toward the NIC examination for basic licensing.
