

4713-11-10

Services that may be provided in a salon or barber shop.

(A) A salon or barber shop may provide non-cosmetology or non-barbering services as follows:

(1) The salon or barber shop may provide a service regulated by another Ohio board or agency, if the provider of the service holds a current, valid license from the board or agency regulating the service;

(2) The salon or barber shop may offer a service not regulated in Ohio, if the service offered is legal and not in conflict with any law or regulation of the cosmetology or barbering ~~profession~~professions, or of the state of Ohio or any municipality, township, or county in Ohio in which the salon or barber shop is located.

(3) Any facility licensed as a barber shop may only provide non-cosmetology or non-barbering services, as listed in divisions (A)(1) and (A)(2) of this rule, if the services are provided in an area that is separated from the barbering area by a substantial, ceiling-high partition.

(B) ~~The~~A salon may permit an independent contractor to provide cosmetology services in the salon if all of the following conditions have been met:

(1) The independent contractor holds an independent contractor license as set forth in rule 4713-13-02 of the Administrative Code; and

(2) Both the salon and independent contractor are in compliance with the laws and rules of practice for independent contractors in the practice of cosmetology.

(C) A barber shop may permit an independent contractor to provide barbering services in a barber shop if all of the following conditions have been met:

(1) The independent contractor holds an individual barber shop license as required by division (C) of section 4709.09 of the Revised Code; and

(2) Both the barber shop and independent contractor are in compliance with the laws and rules of practice for independent contractors in the practice of barbering.

~~(C) As set forth in section 4713.14 of the Revised Code, no person in a salon shall practice a branch of cosmetology for pay, free, or otherwise without a current, valid license, a current, valid boutique registration, a current, valid temporary special occasion work permit, or a current, valid temporary work permit, appropriate to the branch of cosmetology practiced.~~
