

TO BE RESCINDED

4713-19-08 **Resident tanning facilities.**

- (A) A tanning facility used for the general public may be located in a residence, provided the tanning facility shall have an entrance to the outside separate from the living quarters or garage of the residence. The tanning facility may have doors within its interior that allow access into the living quarters or garage or basement of the residence. If the tanning facility has doors opening into the living quarters or garage or basement or the residence, the doors shall be solid and shall have a lock and shall be kept closed during business hours.
- (B) Residential tanning facilities shall have a permit and shall be in compliance with all laws for tanning facilities set forth in Chapter 4713. of the Revised Code and rules amplifying the laws.
- (C) Mobile homes, motor homes, trailers or any type of recreational vehicle are not designed for commercial use under the Ohio building codes and therefore prohibited for licensure or permitting as any type of salon or tanning facility, except for those mobile homes, motor homes, trailers or recreational vehicles that have been permanently set on a foundation and have the following qualities:
- (1) Constructed with permanently installed facilities for cold storage, cooking, consuming of food and that has been remodeled and certified for class A commercial usage;
 - (2) Equipped with a functional sink and flush chemical toilet with a holding tank;
 - (3) In compliance with all laws for tanning facilities set forth in Chapter 4713. of the Revised Code and rules amplifying the laws, and
 - (4) In disposing of sewage and waste water, the tanning facility shall comply with all applicable federal, state, and local environmental and sanitary regulations.
