Necessity of managers.

- ~~(A) A licensee with an active manager license shall be present in a salon at all times in which a salon is open except that a manager may be absent from a salon for a period of sixty minutes two times a day so long as the manager is readily accessible by phone, or the equivalent, and can return to the salon within thirty minutes. A manager must return to the salon when requested by a board inspector, when requested by an employee, and whenever any situation arises which may affect any person's safety.~~
- ~~(B) A business establishment that is engaged primarily in retail sales but is also licensed as a salon shall have a person holding a current, valid managing license for that type of salon in charge of and in immediate supervision of the cosmetology services during active, posted or advertised service hours.~~
- ~~(C) A primarily retail salon is defined as one that has at least fifty per cent of square footage devoted to retail sales and which is open for salon services at least seventy five per cent of the hours the retail facility is open.~~
