## Request for License Reinstatement Information

The Amnesty Program allows individuals that have allowed a license to lapse to reinstate that license upon completion of continuing education (CE) and payment of past fees .

A license is considered lapsed if a renewal fee has not been received for two (2) consecutive renewal periods. At that time the license will go into a lapsed status. Once a license is lapsed, it is required that the licensee pay all back fees and obtain the designated amount of CE hours in order to return the license to an ACTIVE status.

To request individualized reinstatement information, complete/save this form and send form via email to: [cathy.franklin@cos.ohio.gov](mailto:cathy.franklin@cos.ohio.gov)
