Continuing Education Provider Course Approval Instructions

SEMINAR, WORKSHOP, DEMONSTRATION COURSES

Course application and required documentation must be received at least 45 days prior to initial course offering to allow for the approval process to be completed.

Course approval will be valid for the licensing period beginning February 01, 2019 through January 15, 2021.

Licensees are required to have CE hours completed by January 15, 2021.

NOTICE TO PROVIDERS

The Board requires all CE providers to submit course applications, fee payments, course date notifications, and class attendance records through the CE Broker website. If you are currently an approved CE course provider for the Board, please contact CE Broker to gain access to your account. New providers will need to go to the CE Broker website and set-up an account.

CE Broker Contact Information: www.cebroker.com
To contact the CE Broker support center or to activate your Provider account, call Monday-Friday, 8AM-8PM at 877-434-6323 or email support@cebroker.com

CE courses/programs can only be approved by the Board if operated by an employee, officer, or director of a nonprofit professional association, college or university, proprietary continuing education institution providing programs approved by the Board, vocational school, postsecondary proprietary school of cosmetology licensed by the Board, salon licensed by the board, or manufacturer of supplies or equipment used in the practice of a branch of cosmetology. Therefore, individuals that do not meet the requirement are not eligible to provide continuing education courses.

Licensees are required to have CE hours completed by January 15, 2021.

CE Providers are required to submit class attendance records within 10 days of class completion.
CE Providers are not permitted to include Board laws and rules in CE courses.

Continuing Education Hours Requirement

Individuals that hold a cosmetology or branch of cosmetology license and/or instructor license are required to complete the following hours of continuing education per license held for the 2019-2021 renewal period:

One (1) hour/Board laws and rules Class: Can be applied to more than one license.
   Free class only offered by the Board.

Two (2) hours/Sanitation and Safety: If taken as a separate class can be applied to more than one license.

Five (5) hours/Scope Specific: Must be applied to a license in which the subject matter of the course matches the scope of practice of the license.
NOTE: The two (2) hour Safety/Sanitation continuing education must be a separate course if a licensee wants to apply it to more than one license. Safety/sanitation CE that is taken in combination with a scope of practice class cannot be used for additional license types held.

NEW CE Requirement - Boutique Service Registration

Individuals that hold a Boutique Service Registration are required to complete the following hours of continuing education for the 2019-2021 renewal period:

One (1) hour/Board laws and rules Class: Free class only offered by the Board.

Four (4) hours/Sanitation and Safety

REMINDER:
Courses designed for Cosmetologists or Estheticians that include education on chemical, mechanical, or electrical services, such as microdermabrasion or chemical peels must include manufacturer’s information/MSDS to ensure the machine and/or product is within the scope of practice permitted by the Board. This information must be submitted with the course application.

Cosmetologists and Estheticians must adhere to the following guidelines:

Exfoliate stratum corneum cells only. Any chemical, mechanical or electrical service that only exfoliates cells of the stratum corneum may be used.

Services using any device that produces or amplifies electromagnetic radiation at wavelengths equal or greater to one hundred eighty (180) nanometers are not permitted.

Services using any device classified as a Class II or Class III medical device by the United States food and drug administration (FDA) are not permitted.

Chemical peels performed by an esthetician or cosmetologist shall be mixed and used at an ingredient concentration of thirty per cent solution or less at final formulation with a pH value not less than three, unless all of the following conditions are met:

1. The chemical peel preparation is a commercially available product approved for use by cosmetologists and/or estheticians;
2. The licensee can provide documentation from the manufacturer that the specific product does not penetrate below the stratum corneum when used as directed;
3. The licensee can provide documentation of training and/or certification in the use of the product;
4. The licensee follows all manufacturer's directions in the use of the chemical peel preparation; and
5. The preparation is stored according to the manufacturer's specifications and is discarded after its expiration date.
