Agenda item 1b: Pledge of Allegiance to the Flag of the United States of America

Following the roll call, Mr. Taneff asked members to stand and recite the Pledge of Allegiance to the Flag of the United States of America. Members and audience rose and recited the Pledge of Allegiance.

Agenda item 1c: Approval of Meeting Agenda (Exhibit C)

Motion #1: Ms. Thomas moved to approve the meeting agenda for May 8, 2018. Ms. Cumberlander seconded the motion. Discussion: None. Roll call vote taken – motion carried: 10 - Yes.

Agenda item #2: APPROVAL OF PREVIOUS MEETING MINUTES (Exhibit D)

Motion #2: Ms. Yeager moved to approve the April 10, 2018 meeting minutes of the State Cosmetology and Barber Board. Ms. Shepline seconded the motion. Discussion: None. Roll call vote taken - motion carried: 10 – Yes.

Agenda item #3: OFFICER AND STAFF REPORTS

Agenda item 3a: Chairperson's Report

Mr. Taneff addressed the conduct of Board member Hanks at the prior business meeting. Mr. Taneff stated he considered the conduct to be interruptive and an outburst. Mr. Taneff stated that in all his years on the Board, he has never interrupted members. Mr. Taneff stated that every member has a right to express their positions, and even though he is not in the industry like other members, he, too, has a right to express his opinion about what is best for the industry. Mr. Taneff stated that he would have liked to have addressed the issue off the record, but Mr. Hanks would not return his telephone call. Mr. Taneff concluded that it was a bad example and he expressed his hope that the conduct would not happen again.

Mr. Hanks asked to respond. Mr. Hanks stated that he cares about the industry and that he believes what the chair is doing, in many circumstances, is wrong and that he has a right to also express his opinion. Mr. Hanks stated he is open and professional with regard to the manner in which he expresses himself. Mr. Hanks expressed that Mr. Taneff and all members have become “heated” and have interrupted each other, but that the interruption in question was not egregious.

Mr. Taneff noted that he did not interrupt and stated that he did not deserve to be treated in the manner he was. Mr. Hanks disagreed.

Mr. Taneff expressed hope that they would continue in a positive direction.

Agenda item 3b: Executive Director’s Report (Exhibit E)

Mr. Logsdon filed a written report. Mr. Logsdon provided a brief verbal review of his report.

Mr. Logsdon provided the Board with a summary of financial activity since the beginning of the fiscal year. Mr. Logsdon remarked that the agency’s expenditures are following the allocation schedule. Mr. Logsdon noted that reallocation of funds to the fourth quarter, which were reported at the last Board meeting for payroll and maintenance costs, were completed. Otherwise, Mr. Logsdon reported that expenditures were unremarkable. Mr. Logsdon stated that he was seeking spending authority for agency upgrades, which were placed on hold during the merger. Mr. Logsdon provided members with a budget overview.

Mr. Logsdon provided a detailed update on the Elicense 3.0 project, stating the system went live on April 23, 2018. Mr. Logsdon reported that DAS and the system developer provided onsite training after go-live through the prior Friday. Mr. Logsdon characterized the implementation and startup as going very well. Mr. Logsdon stated that the system represents a culture shift for licensees and employees, but that he has been very pleased with the system implementation. Mr. Logsdon stated that the system appears to be delivering on everything it promised to do. Mr. Logsdon reported that external users have reported that it is simple to use and that internal staff, even though the system is complex, are also learning the system well and enjoying the benefits of the system. Mr. Logsdon reviewed the transactions that could be processed through the system, and noted the examination scheduler and examination integration as examples of transactions that were going very well. Mr. Logsdon reported that single day, on-site licensing has gone on uninterrupted.

Last, Mr. Logsdon reported that the Board placed all proposed rules on its website for stakeholder comment. Mr. Logsdon stated that the comments received were provided to the Rules Committee and business impact analyses were being prepared. Mr. Logsdon stated that the Rules Committee met prior to the Board meeting and any amendments would be presented to the Board by the committee.

Mr. Taneff asked to go off record to secure more seating for guests. The Board took a 3 minute break.

Mr. Logsdon then updated the members on the use of the national Ergometrics examination for Cosmetology instructor licensing. Mr. Logsdon stated that pursuant to the Board’s resolution 3-13-2018, agenda item 8(c), the cosmetology instructor theory examination is projected to begin approximately by July 1, 2018. Mr. Logsdon stated that implementation of the examination would complete the requirement of paragraph (G) of Section 4713.24 of the Revised Code. Mr. Logsdon also reported that the Board’s resolution to use a national examination for the theory-based portion of the barber examination is projected to begin during the month of July.

Mr. Logsdon stated that barber and barber shop license renewal notifications had been mailed to all active and inactive/expired licensees for the biennial renewal. Mr. Logsdon stated that the notices provided step-by-step instructions for accessing the system, creating an account, and completing the renewal on the new system. Additionally, the Board has developed guidance documents and video tutorials for all processes completed through the new eLicense Ohio platform. Mr. Logsdon reported that 9,466 barber notices and 2,889 barber shop notices were mailed out today.

Last, Mr. Logsdon provided the members with a school closing report.

Motion #3: Ms. Cumberlander moved to authorize the Executive Director to expend up to \$8,000.00 for facility security upgrades. Ms. Shepline seconded the motion. Discussion: None. Roll call vote taken - motion carried: 10-0.

Motion #4: Mr. Hanks moved to approve the Executive Director's report. Ms. Shepline seconded the motion. Discussion: Mr. Penzone inquired if Georgia International was a barber school or a cosmetology school. Ms. Pearson indicated it was a cosmetology school. No further discussion. Roll call vote taken - motion carried: 10 - Yes.

Agenda item #4: COMMITTEE REPORTS

Agenda item 4a: Administrative Review Group Report (Exhibit F)

Mr. Taneff asked Mr. Logsdon to present the Administrative Review Group (ARG) report. Mr. Logsdon reported that the Administrative Review Group met on May 1, 2018, and that the written report and recommendations of the Administrative Review Group was provided to the membership. Mr. Logsdon stated that the recommendations were presented as written.

**Names and identifying information were redacted from the Administrative Review Report. For the purposes of discussion, matters were referred to only by case number and referenced by case number verbally. Identifying information based upon the correlating case number was added during the writing of the minutes where specific reference or motion is entered upon the board's journal.*

Motion #5: Mr. Penzone moved to confirm the Administrative Review Group (ARG) report, as referenced hereto by attachment to the minutes of the Board. Ms. Shepline seconded the motion. Discussion: None. Roll call vote taken - motion carried: 9 – Yes, 1 – abstained (Ms. Thomas)

Agenda item 4b: Curriculum and Examination Committee Report (Exhibit G)

Ms. Cumberlander provided a written report and gave a verbal summary of the report. Ms. Cumberlander stated the committee met at 10:00 a.m. prior to the meeting. Ms. Cumberlander stated the committee reviewed the 1800-hour curriculum for barber programs and the 1000-hour barber curriculum for licensed cosmetologists. Ms. Cumberlander reported that the two were explained and that the subjects mirrored in both. The committee had discussion concerning repetitive subjects for licensed cosmetologists. The committee had the honor, she stated, to hear from Mr. Radwan, a barber school owner concerning how his program would address distribution of education hours for licensed cosmetologists. Mr. Radwan informed the committee that his program would consider a student's strengths and structure the program in concert with their skill level and the areas in barbering that need more concentration.

The committee, she stated, moved to approve the 1000-hour curriculum for cosmetologists to the full Board for approval.

Next, the committee discussed a 500-hour barber teacher curriculum. Ms. Cumberlander reported that the Executive Director reviewed curriculum and added that the committee was asked to assign hours to the subject areas. The committee recommended sending the 500-hour curriculum to barber schools for comment.

Last, Ms. Pearson provided an update on the transition to a national examination for the theory portion of the barber examination.

Motion #6: Ms. Yeager moved to approve the Curriculum and Examination Review report, as referenced hereto by attachment to the minutes of the Board. Ms. Wolfe seconded the motion. Discussion: Mr. Prince inquired about the national theory examination. Mr. Logsdon explained that the current barber theory examination is the same examination that was carried over from Ohio State Barber Board. Mr. Logsdon explained that the testing service being used is a nationally-validated

examination, which has been integrated with the eLicense Ohio system. Moving the examination to the national examination, he stated, would result in consistency. The ultimate goal is to bring practical and theory in-house, which would allow barbers to use the eLicense Ohio system to apply for and schedule examinations. No further discussion. Roll call vote taken - motion carried: 9 – Yes, 1 – abstained (Ms. Thomas)

Agenda item 4c: Rules Committee Report

Mr. Taneff asked Mr. Hanks to give the Rules Committee report. Mr. Hanks gave a verbal report. Mr. Hanks reported that the committee met at 11:00 a.m. prior to the Board meeting. The committee, he stated, is recommending the rescission of 4709-3-03 and 4709-5-06 based on redundancy with the Revised Code and language being moved to other amended rules. Additionally, Mr. Hanks added, the committee recommended the approval of proposed amended rule 4713-5-03, which would add additional language to require completion of a 500-hour curriculum for barber teacher licensing, proposed new rule 4713-7-12, which is the 500-hour teacher curriculum requirements, and proposed amended rule 4713-8-10, which amends the current rule for corrective action courses. Mr. Hanks stated that the Board does not use the current corrective action courses rule, but the Revised Code requires the Board to have one. Mr. Hanks stated the proposed revised corrective action courses rule would be available should the Board ever want to implement that type of action.

Motion #7: Ms. Thomas moved to approve the Rules Committee report. Ms. Yeager seconded the motion. Discussion: None. Roll call vote taken - motion carried: 10 – Yes.

Agenda item #5: PUBLIC TESTIMONY

Alex Fox

Ms. Fox provided her name and address for the record. Ms. Fox stated that she was appearing to request a duplicate license. Ms. Fox stated she had moved back to Ohio from Georgia and had not gotten her license back from her employer. Ms. Yeager clarified that Ms. Fox lost her Ohio license when moving back to Ohio. Ms. Pearson stated the individual is requesting a second duplicate.

Motion #8: Ms. Shepline moved to approve the issuance of a second duplicate license certificate for Ms. Fox. Ms. Thomas seconded the motion. Discussion: None. Roll call vote taken - motion carried: 10 – Yes.

Fouad Radwan, Meryma'at Barber College

Mr. Radwan provided his name and address for the record. Mr. Radwan stated he disagrees with the Chairperson's testimony from the last meeting. Mr. Radwan stated that he thinks a chairperson should be in a neutral position. Additionally, Mr. Radwan stated that he did not think Mr. Hanks was rude at the prior meeting and did not say anything against the board. Mr. Radwan continued that he has worked very hard to educate students and future students so that they can be paid more than minimum wage. Mr. Radwan stated that his school educates students to earn the full amount they deserve based on the education they receive.

Tim Subotin, Akron Barber College

Mr. Subotin provided his name and telephone number for the record. Mr. Subotin posed an inquiry about what barbers have to do with H.B. 189 and then stated people would have to be naïve to see what's going on in Ohio. Mr. Subotin stated that people from around the country come to Ohio to get their license because of Ohio's standards. Mr. Subotin stated that he currently has two students from Texas. Mr. Subotin stated that Texas has barber schools, but that Texas cannot train people like they do in Ohio. Mr. Subotin stated that the Chairperson's opinion at the last meeting directly quoted an article from Mr. Penzone in the Columbus Dispatch. The article, he stated, also quoted the testimony of Mr. Penzone's lobbyist and the OSA director. Mr. Subotin inquired about what was going on with the Board. Mr. Subotin again asked for Mr. Penzone's and Ms. Osterhage's resignation.

Christina Melaragno, LaBarberia Institute

Ms. Melaragno provided her name and address for the record. Ms. Melaragno directed her opening comment to Mr. Hanks, stating she appreciated his outburst. Ms. Melaragno characterized the chairperson's comments on H.B. 189 at the prior meeting as a commercial, indicated she found them to be appalling, and stated that it was not the time because it is a tumultuous situation with the merger. Ms. Melaragno referencing prior comments from the chairperson, noted that there are 4-year degree student loans that have way more student loan costs than barbering school. Ms. Melaragno stated the barbering profession is in high demand and barbers can earn the loan amount by working only one year in the field. Ms. Melaragno stated that Mr. Taneff's lack of knowledge of the industry warrants his resignation from the board. Ms. Melaragno suggested that the Board eliminated the Ohio State Barber law and kept the Ohio State Board of Cosmetology law. Ms. Melaragno stated that the Ohio State Barber Board was not merged, it was taken over. Ms. Melaragno stated that she had heard there were discussions regarding allowing salons to display barber poles. Ms. Melaragno stated the barber pole is not the Board's to give away and asked the Board to respect it. Ms. Melaragno then reminded members of their ethical responsibility.

Mr. Hanks commented at the end, stating his comments were not an outburst, but a heated discussion.

Berni Marcotte, Brown Aveda

Ms. Marcotte provided her name and address for the record. Ms. Marcotte stated she has been a teacher at Brown Aveda for 20 years and that she has been in the industry for forty years. Ms. Marcotte stated that she believed the Board would agree that less education is not good for anyone she's ever known. Ms. Marcotte stated that as a cosmetologist for 41 years, she has learned that if a student completes only 1000 hours of training, they would not have the same ability and the confidence as the students that complete the 1500 hour training. The extra 500 hours, she stated, gives a school the opportunity to fine tune their technical skills, so that students have the confidence to succeed as cosmetologists.

Bob Catanza

Mr. Catanza provided his name and address for the record. Mr. Cantaza stated he owns Catanza's Barber Shop and a barber supply company. Over the years, he stated, he has owned a few barber shops and a beauty salon. Mr. Catanza stated that being "out there" and seeing what he is seeing, barbers and beauticians are "up in arms" about the amount of hours, who is going to be able to work where, and who is going to inspect who. Mr. Catanza stated it is mass confusion and nobody trusts the Board. Mr. Catanza stated that there should be a barber's association. Mr. Catanza concluded by asking for resignations from Mr. Taneff, Mr. Penzone, and Ms. Osterhage.

Tony Fiore, Attorney at Law, Kegler Brown and Ritter and Legislative Counsel for the Ohio Salon Association

Mr. Fiore provided his name and business address for the record. Mr. Fiori thanked members for serving on the Board. Mr. Fiore stated that there is legislation pending before the Ohio General Assembly to reform Ohio's cosmetology laws - H.B. 189 and S.B. 129. Mr. Fiore stated that someone at last month's meeting stated that there was something improper about members of this Board commenting on pending legislation, which Mr. Fiore stated was "nonsense." Mr. Fiore stated that not only can members exercise their right to free speech and express their views on Ohio's cosmetology laws, but that it is their duty to do so. Mr. Fiore explained that under section 4713.07 and section 4713.071 of the Revised Code, the Board has the statutory duty to submit an annual report to the Governor and the Ohio House and Senate that includes any recommendations for changes it may have to Chapter 4713 or 4709 of the Revised Code. Mr. Fiore stated that these bills do not reduce the 1800 hours required to obtain a barber license. Mr. Fiore stated that the bills benefit barbers by reducing hours needed for a separate cosmetology or hair design license and it protects barber's sole use of a straight razor for grooming customers. Mr. Fiore stated that opponents are using fear, coercion, and baseless threats to silence persons from expressing support for these bills. Mr. Fiore stated that the Ohio Salon Association has been a strong proponent of these bills because they believe the bills focus on student success, healthy private and public schools, and job creation for the beauty industry. Mr. Fiore stated that future licensees will benefit from the passage of these bills because they will have more opportunities and choices, which include completing private or public education under equal clock hours without sacrificing safety and sanitation principles, providing an apprenticeship option, so that students can earn

a wage while learning their trade, and earning a license sooner to begin paying back student debt. Mr. Fiore stated that the status quo was not working. Mr. Fiore reviewed past and anticipated school closures, concluding that something must be done to protect the workforce. Mr. Fiore stated that the legislation addresses these issues. Mr. Fiore stated that the legislative process is the appropriate forum for debating the merits of the legislation, not the Board. Mr. Fiore stated that just as no member of the Board had anything to do with the merger of the Boards; only the Legislature has the power to enact these bills. Mr. Fiore concluded by stating that respectful debate and discussion leads to better laws. Mr. Fiore urged others to educate themselves and to exercise their constitutional and statutory rights.

Sue Carter Moore, Salon Schools Group

Ms. Carter Moore provided her name and address for the record. Ms. Carter Moore stated that she had not planned to speak. Ms. Carter Moore stated that she did not disagree with much of what Mr. Fiore stated. She stated it was a fight and that the fight should be held in the Legislature, but noted that she disagrees substantially with the bills. She indicated, however, that when someone, specifically Ms. Yeager, publishes something which is untrue, wouldn't you say that it is incumbent that it should be correct information, especially once their position as a board member is noted in the publication? Ms. Carter Moore then specifically addressed the publication. Reading excerpts from the article, Ms. Carter Moore noted three items. First, Ms. Carter Moore quoted Ms. Yeager as stating, "and my biggest interest in the cosmetology industry today is helping to create licensed reciprocity or license endorsement between states. Ohio's current laws make that difficult." Ms. Carter Moore stated that Ohio's cosmetology requirements are the same as 30 other states and that only two states require the 1000-hour advocated in the article. Second, Ms. Carter Moore quoted Ms. Yeager's as stating, "the same two cosmetology manuals used across all schools in the country are based on a 1000 hour curriculum." Ms. Carter Moore then inquired of Ms. Yeager what publishers she was referencing since Milady and Pivot Point International disavowed support of a 1000-hour cosmetology curriculum. The third statement from the article noted by Ms. Carter Moore was, "there are seven more schools slated to close soon due to these circumstances." Ms. Carter Moore added that the statement was in reference to federal regulations on financial aid. Ms. Carter Moore stated that, as President of the Ohio Association of Cosmetology Schools, she has no knowledge of seven schools slated to close. Ms. Carter Moore asked for the names of those schools.

Mr. Taneff then addressed Mr. Hanks and inquired if Mr. Hanks had anyone else he would like to testify, and Mr. Hanks inquired if Mr. Taneff was implying that he (Mr. Hanks) was responsible for having people testify at the meeting. Mr. Taneff then responded to Mr. Hanks, and indicated that he had recently read a comment where Mr. Hanks had accused a member of misconduct because they expressed their opinion about the bill. Mr. Hanks asked for proof and stated that he had no idea what Mr. Taneff was referencing, and indicated that it was a strong accusation.

Lisa Groome

Ms. Groome provided her name and address for the record. Ms. Groome stated that she had not come prepared to speak, but that the public comments had her upset. Ms. Groome stated that she was an employer who owned three barber/salon concept locations. Ms. Groome stated there seems to be a disproportionate number of people speaking who, in her opinion, are upset for the wrong reasons. Ms. Groome inquired as to who is speaking for the employers who employ licensees. Ms. Groome stated that she hires individuals that come from both the trade school scenario and high-priced schools. Ms. Groome stated that these students come with the same skill sets for their trade. Ms. Groome asked why, instead of fighting over hours, people were not rallying together to create a better curriculum to make graduates more marketable. Ms. Groome stated that the industry could increase the number of hours, but, in her opinion, they would not come out with any better skill set than they are currently. Ms. Groome concluded by asking why there was not solidarity in making the curriculum better.

Charles Gross

Mr. Gross provided his name and address for the record. Mr. Gross stated that he had State Representative Butler at his school and approximately 100 students were in attendance to speak about H.B. 189. Mr. Gross stated that a student commented that H.B. 189 was designed to force students into certain types of salons, and noted that his student population was against it. Mr. Gross

stated he believes that what the students understand the bill to be about is less education to prepare for a career where most will be self-employed.

Discussion:

Ms. Cumberlander thanked everyone for coming. Ms. Cumberlander stated that “this” is new for everyone and that she is not sure where information is coming from, but in her opinion it is coming from a fear-based place. Ms. Cumberlander stated that barbering and cosmetology are one industry and are not against one another. Ms. Cumberlander stated that the Board has nothing to gain by Barbers leaving. Ms. Cumberlander stated she was excited that we get a chance to work together. Ms. Cumberlander stated that people will not always agree, but she encouraged a mutual respect for one another. Ms. Cumberlander encouraged civil conversation, healthy debate, and conversation about facts, not assumptions. Ms. Cumberlander stated the Board is here for the industry and that people would get further if they worked together.

Mr. Prince inquired if there was a public forum where persons could address issues like those discussed. Mr. Taneff responded that the public is free to write or address the Board. The Board, he stated, has rules and procedures on how to address the Board.

Ms. Yeager asked to speak. Ms. Yeager stated that she would welcome conversation and working together. Ms. Yeager stated she loves the industry and she spoke to her background and experience in the industry. Ms. Yeager stated that she only hires from schools and she would love to have a conversation with Ms. Carter Moore.
